

STOU SAE 15W40

Description

BENZOL® STOU SAE 15W40 is an extra high-performance Super Tractor Oil Universal (STOU), formulated with high-quality hydro-treated base oils and a multifunctional additive system. This semi-synthetic advanced technology is designed to optimize the performance of equipment operating in a wide range of environments and conditions. It is particularly useful in agricultural machinery and equipment where a common lubrication system supplies oil for different applications.

Applications

BENZOL® Super Tractor Oil Universal (STOU) Multifunctional Fluid is suitable for use in modern agricultural tractors functional with Engine, Transmission, and Hydraulic systems. It can also be recommended for other agricultural or forestry equipment with common lubrication systems, where a high quality STOU type lubricant is required.

Performance Benefits

- Its versatility makes it suitable for use with a wide variety of Agricultural machinery.
- A multifunctional oil for engine, transmission and hydraulic Systems, and suitable for high-power tractors.
- Excellent protection against rust and corrosion, increases the service life of system components
- Good rust resistance and compatibility with joint materials.
- Excellent thermal and oxidation stability.
