

4T MOTO RACER SAE 10W40 API SN JASO MB

Description

BENZOL® 4T Moto Racer 10W40 API SN JASO MB is an advanced synthetic motorcycle oil that protects the critical engine parts while driving in city traffic. The oil contains special additives to guarantee a high protection of engine and transmission parts and to assure a strong oxidation stability.

Applications

BENZOL® 4T Moto Racer is suitable for all makes of 4-stroke bikes, both carbureted and fuel injected where API SN (or below) and JASO MB recommended. It has been especially developed for use in all motorcycles with medium to large engines.

Specifications and Approvals

API SN, JASO MB

Technical Specifications

Performance Benefits

- The trials in four-stroke motorcycles under extreme working conditions have confirmed excellent protection against wear.
- Ensures full protection for the engine.
- Exceptional thermo-oxidative stability.
- Great durability at high temperature.
- Quick engine response and improved power output and increased reliability.
