

MODERN DRIVE SAE 15W40 API SQ

Description

BENZOL® Modern Drive SAE 15W-40 API SQ is a high protection Synthetic Technology engine oil formulated for high-mileage engines. API SQ technology delivers strong lubricating film, wear control, oxidation resistance, deposit protection and reliable performance in hot climates and severe conditions.

Applications

BENZOL® Fully Synthetic SAE 15W-40 oil is particularly recommended for engines requiring and SAE 15W-40 especially high-mileage vehicles, hot climates and severe service operation. Use only where this viscosity and performance level are specified by the vehicle manufacturer.

Specifications and Approvals

API SQ and RC (Resource Conserving)

Technical Specifications

Performance Benefits

- High Protection Synthetic Technology
- Strong lubricating film
- High mileage engine protection
- Hot climate performance
- Superior wear control
- Oxidation resistance
- Deposit and sludge control
- Reliable severe service durability
